Words and music by Sue Loomis

Chorus
Ten ways to be happy
Ten ways to be happy

Verse 1
Moses got the commandments on a mountain
But if he came today,
Brother Moses might be on your TV
And here's what he would say:
God gives us,

Chorus

Verse 2
Have no other gods but me;
It's the first way to be happy.

Chorus

Verse 3
Don't worship any images.
Don't make things your god.
God won't share you he knows you're His.
He'll show you all his love.

Chorus

Verse 4
Love God's name and use it carefully;
Third way to be happy.

Chorus

Verse 5
Make a time that's pure and quiet;
A time when you can pray.
Do it every week on Sunday.
Do it every day.

Chorus

Verse 6
Love your mother, Love your father
It's the fifth way to be happy

Chorus

Remember these, the last five are easy:

Don't kill, don't steal, don't lie.
Be true and faithful to the one you love.
Don't want or covet what you see with your eyes.

Chorus

Verse 7

Love everyone and treat them right.
Love God with all your might.
