Chorus

Lo! His Word that healed me.

Lo! That Word is here.

Lo! His healing message

Speaking gently in my ear.

Verse 1

Truth divine, overcoming

All the ills that seem to be,

In my heart your word is staying.

I will know you and be free.

Chorus

Verse 2

Love divine, never failing,

All your presence and your power,

Mighty still, you save and heal me,

Guarding, guiding, every hour.

Chorus

Verse 3

Life divine, still proclaiming

My true being one with you,

Sinless, fearless, whole, rejoicing,

Now forever one with you.

Chorus (2)
