*Words and music by Susan Mack

## Verse 1

I have laid the foundations of the earth.  
It cannot be removed.  
I send forth My spirit; I create.  
The face of the earth is renewed.

## Chorus

I will comfort you.  
I will comfort you.  
Like a flowing stream, a river of peace,  
I will comfort you!

## Verse 2

My hands stretch out the heavens.  
I make the earth and man.  
In wisdom I make them all,  
My thoughts at My command.

## Chorus

## Bridge

As one whom his mother comforts,  
I love and hold you dear.  
You are always safe in Love.  
There is no cause for fear.

## Chorus
