

Creation

*Words by Sue Loomis
Music by Carey Loomis
Arranged by The Solo Committee*

Verse 1

God, Spirit, broods in the darkness.
God calls light 'day' and dark 'night'.
God divides sky from the earth and the sea,
Each idea so unique in His sight.

Chorus

God is the Light that is shining.
God is the Word that we hear.
God is the Life and the Maker.
He holds His creation so dear.

Verse 2

God calls all things green and growing.
God calls the fish in the sea.
God calls the lights in the heaven to shine,
And He loves all the goodness He sees.

Chorus

Verse 3

God calls us all, male and female.
God calls the beasts of the field.
God's ideas, complete, each detail,
In His nurture and care and delight.

Chorus

Bridge

God blessed the work and He rested.
God's creation is all that He sees.
God blesses us all, each and every idea,
All unique, each essential to be.

God calls the lights in the heavens to shine,
And He loves all the goodness He sees.

Final chorus

God is the light that is shining.
God is the Word that we hear.
God is the Life and the Maker.
And He loves all the goodness He sees.
