

## In the Beginning

Words and music by Susan Mack  
Arranged by The Solo Committee

### Verse 1

In the beginning, in the only,  
Is the Word; that Word is "I".  
I Am All; I know Myself  
As All-in-all, no questions why.

### Chorus

I am the Word. I am what heals,  
And all you sense is what I feel.  
Your every thought, I declare.  
I am your life, I'm all that's real.

### Verse 2

In the beginning, in the only,  
My Word is true. My Word is true.  
And every one of My righteous judgements  
Uphold my Word as law to you.

### Chorus

### Verse 3

In the beginning, in the only,  
The Word is with Me, that Word is Me.  
All things are of Me, all things are through Me,  
I have made all that I see.

### Bridge

Never born and never dying,  
It's impossible to fall.  
I always see you upright.  
I see you pure and whole.

### Chorus

In the beginning, in the only,  
My Word is here; My Word is here.
