Jesus taketh Peter, James and John  
He brought them up into an high mountain apart  
And was transfigured before them and his face did shine  
Shine with Love's light in his heart.

Chorus:  
Shine, as the radiant beam of Truth's might,  
As one clothed in the raiment of light,  
Pure as dawn when it pierces the night,  
All Gods children in spiritual sight.

Then there appeared unto them  
Moses and Elias talking with him  
Peter said, Lord, it is good to be here--  
How should we honor these men?

While Peter yet spake came a bright cloud  
A voice from the cloud said him shall ye hear.  
This is my loved Son, I am pleased with him!  
The disciples fell on their faces in fear.

With tenderness Christ touched them and said  
Don't fear this prophetic vision--  
This discernment of man as Love's gentle beam.  
You will understand after my ascension.
