Ten ways to be happy
Ten ways to be happy

on a mountain but if he came today
Brother Moses might be on your TV
And here's what he would say.

God gives us
Ten ways to be happy
Ten ways to be happy

Have no other gods but me
It's the first way to be happy.

C

Ten ways to be happy
Ten ways to be happy

Don't worship any images
And don't make things your god
God won't share you, he knows
you're His
He'll show you all his love

Ten ways to be happy
Third way to be happy

V2

Love God's name and use it carefully
Ten ways to be happy

C

Ten ways to be happy
Fourth way to be happy

Make a time that's pure and quiet
A time when you can pray
Do it every week on Sunday

Do it every day.

C

Ten ways to be happy
Ten ways to be happy

Love you mother, Love your father
It's the fifth way to be happy

C

Ten ways to be happy
Ten ways to be happy

Remember these, the last five are easy
Don't kill, don't steal, don't lie
Be true and faithful to the one you love
Don't want or covet what you see with your
eyes

Ten ways to be happy
Ten ways to be happy

V2

Love everyone and treat them right
Love God with all your might

C

And those are

Ten ways to be happy
Ten ways to be happy
