Intro

V

God is where I'm going
God is where I am
Here is here beside me
And he holds me by my hand

V

Gods love is on my school bus
His love is in the park
And if it rains or thunders
Or gets very very dark

C

The Truth of God is with me

Like sun reflecting sunbeams
God is everywhere we go

He knows what are doing
And he shows us where to stand
God is always beside us
And he keeps us in his hand

God is where I'm going
God is where I am
Here is here beside me
And he holds me by my hand
