

Never Alone

Words by Kerry Knoblesdorf
Music by Carey Loomis
Arranged by The Solo Committee

God is where I'm going.
God is where I am.
He is here beside me,
And he holds me by my hand.

God's love is on my school bus.
His love is in the park.
And if it rains or thunders,
Or gets very, very dark,

The Truth of God is with me
And with everyone I know.
Like sun reflecting sunbeams,
God is everywhere we go.

He knows what are doing
And he shows us where to stand.
God is always beside us
And he keeps us in his hand.

God is where I'm going.
God is where I am.
He is here beside me,
And he holds me by my hand.
