

Christmas Joy

Words by Carey and Sue Loomis

Music by Carey Loomis

Verse 1

When days are too short and the nights are too cold
Crowds are too thick and the ads are too bold,
Remember the manger, the star and the gold.

Chorus

Let this Christmas fill you with joy,
For love and peace, all those are Thine.
You have today all that you need.
Bring us together and bring in the Christ.

Verse 2

Light candles of welcome, with warm hearts enfold.
Hang circles of evergreen for all to behold.
Remember the manger, the star and the gold.

Chorus

Verse 3

Gather your family and friends of your soul.
Sing songs of joy that are never too old.
Remember the manger, the star and the gold.

Chorus
