*Words by Dee Miller*

*Music by Peter Hodgson*

*Arranged by The Solo Committee*

### Verse 1

Keep a little chapel in your heart,  
where you may go and pray.  
Cares and fears will fade away,  
and you'll feel close to God.

### Verse 2

Keep a little chapel in your heart,  
a safe and sacred place,  
where only love can enter in,  
this haven of peace and grace.

### Chorus

### Bridge

A chapel heart of love,  
where you can watch and pray,  
a quiet, secret place.  
A chapel in your heart,  
a chapel in your heart.
