G            C    D            G  
Fly my up high, swing me down low.  
C    D    G            C  
God is everywhere I go.  
G            C            D            G  
Fly my up high then swing me down,  
C                    D            G  
My friend God is always around.

### Verse 1:

G            D            C            D  
My Father-Mother God is real great.  
G                    D            C            D  
The thoughts He gives me are always first rate.  
G            D            C            D  
He sees me perfect, He sees me good;  
G    D            C            D  
So I always do just what I should.

### Chorus

### Verse 2:

And as my Friend, God is the best.  
He helps me be a friend to the rest.  
I'm never cranky, sad or mean,  
Because I know we're all on His team.

### Chorus

### Verse 3:

And if I fall God catches me,  
And hugs me close and tenderly,  
I'm really glad I know God is here.  
I run and play each day without fear
