

# Seven Names

Words and Music by Susan Mack  
Arranged by The Solo Committee

## Chorus

Principle, Mind, Soul, Spirit, Life, Truth and Love.  
Principle, Mind, Soul, Spirit, Life, Truth and Love.  
God has seven names we say that help us know Him all the way.  
Principle, Mind, Soul, Spirit, Life, Truth, and Love.

## Verse 1

Principle is governing everyone and everything.  
Mind is knowing all there is so all ideas must be His.  
Soul identifies us all--we always know our Shepherd's call.  
Spirit makes us spiritual and truly individual.

## Chorus

## Verse 2

Life gives us our energy, our strength and ability.  
Truth can only know what's true, so we can always know it too.  
Love is loving tenderly so joy is with us endlessly.  
God has seven names we use to help us know Him through and through
