Chorus

Fly me up high, swing me down low.
God is everywhere I go.
Fly me up high, then swing me down
My friend God is always around.

Verse 1

My Father-Mother God is real great.
The thoughts He gives me are always first rate.
He sees me perfect, He sees me good;
So I always do just what I should.

Chorus

Verse 2

And as my Friend, God is the best.
He helps me be a friend to the rest.
I'm never cranky, sad or mean,
Because I know we're all on God's team.

Chorus

Verse 3

And if I fall God catches me,
He hugs me close and tenderly,
I'm really glad I know God is here.
I run and play each day without fear
