

Noah's Story

Words and Music by Sue Loomis

Verse 1

Noah was a good man and he talked with God.
Noah loved his three sons who were tall and strong.
God told Noah "Take them in the ark with you;
Storms are coming it will rain too long,
It's safe inside from all the storms."

Verse 2

Noah started building and he told his sons
We need room for loved ones and their clothes and all their stuff.
Finally they finished and the ark was done -
It was huge, extra strong and tuff.
It's safe inside from all the storms.

Verse 3

Animals were loaded and they came by twos.
Male and female every kind from dogs to doves,
Cows and sheep and camels and their beds and food and
Even brought the kitties and the bugs.
It's safe inside from all the storms.

God is here yes!
God is here!
Listen! for His words to you.
God is here yes!
God is here!
Watch!
He'll show his love for you.

Verse 4

Noah tucked them all in, they were safe inside.
Rain fell all around the ark but they stayed dry,
Patiently they waited while the flood got high,
Each one knowing with the Lord nearby
They were safe inside from all the storms.

Verse 5

Noah sent out things that fly like ravens, doves, and bees
They all saw the sky was clear with no more rain.
Dove brought back an olive leaf for all the ark to see
Noah knew that now the flood had drained
They were safe inside from all the storms.

Verse 6

They were all so happy they jumped out and prayed.
God spread out a rainbow in the sky so blue.
Noah knew the rainbow was a promise God had made.
God was saying "See My love for you?
I will keep you safe from all the storms."

Verse 7

If you are in trouble you can build an ark;
Build it out of love for all God gives to you.
Look beyond your trouble for the rainbow arch.
You will see the promise God has made. "
"I will keep you safe from all the storms."
