

## **Blessed Be**

*Words by Sue Loomis*

*Music by Carey Loomis*

Chorus

Blessed be my Father, God.  
Wrapped in you care,  
Blessed with all your spiritual gifts,  
I am you heir.

Verse 1

Before He founded the earth,  
Drew the stars above,  
My Father had me in Mind,  
Focus of His wonderful Love.

Chorus

Verse 2

Part of one family,  
God's daughters and sons,  
Full of His beauty and power,  
He knows that we all are one.

Bridge

I listen for Your commandments,  
Love to hear the sound of Your voice.  
I know I have so much freedom  
When I make this choice.

Chorus

Verse 3

Joy of the Father that named me  
Called me as His own  
Inheritor of the Kingdom  
I have a heavenly home.
