

## O Fear Thou Not

Words: Susan Mack  
Music: Traditional (The Water is Wide)  
Arranged by The Solo Committee

Oh fear thou not, for I am here!  
I'll give thee strength and endless cheer.  
Be not dismayed, I am thy God,  
My righteousness, a saving rod.

Our God is Principle, our God is Mind,  
And man is held in Truth divine,  
Without a pain, and without a tear,  
So free from guilt and free from fear.

Established in Omnipotence,  
Known as the thought of Omnisicence;  
Surrounded by Everpresence here,  
All grace and good forever near.

Come Spirit, Life, thou All-in-all,  
We cannot miss Your steadfast call  
To leave the dream and awake to know  
From Your embrace we cannot go.

With grateful hearts and joy unbound,  
We lift our voice in endless round,  
Of praise to Thee, our precious Love,  
That lifts our sense to Soul above.
