

Safe Inside the Ark

Words by Sue Loomis

Music by Carey Loomis

Child of My care...

Child of My care...

Water flows from heaven and earth

But I will keep you dry;

My creation, sweet and pure,

Preserved inside the ark.

Chorus

Child of My care,

Safe inside the ark.

Child of My care,

Safe inside the ark.

Pour a rainbow through the sky,

A promise of my care.

Abundant Love, I keep you safe,

On the rock, the ark.

Chorus

Mother, father, hope and faith;

Strong, unique ideas,

I am their forever Life,

so crystal clear and real.

Chorus

Pour a rainbow through the sky,

A promise of my care.

Abundant Love, I keep you safe,

On the rock, the ark.
