Thank you, God, for being Life.
Thank you, God, for being here.
Thank you, God, for loving everyone,
For holding us so dear.

Thank you, God, for being joy.
Thank you, God, for being peace.
Thank you, God, for knowing everything,
Your blessings never cease.

Thank you, God, for being Cause.
Thank you, God, for being whole.
Thank you, God, for being everywhere,
For being All-in-all.

Thank you, God, for being Truth.
Thank you, God, for being good.
Thank you, God, for all eternity
Our Father-Mother God.
