

What is Truth?

Words and music by Susan Mack

Ages have passed and the question still remains.
Wise men have pondered it and echoed its refrain.
What is Truth? Oh, what is Truth? Pilot asked our Lord.
This is Truth! Oh, this is Truth! Jesus answered in these words:
To know one God and all as held in Thee.
Ye shall know the Truth and the Truth shall make you free.

Einstein believed there was some grand unity.
Physicists they plumb the depths of those tiny particles.
What is Truth? Oh, what is Truth? None can get it right.
This is Truth! Oh, this is Truth! The healing Christ sheds the light.
To know one God, and all as held in Thee.
Ye shall know the Truth and the Truth shall make you free.

The human mind will never know, from its separated sense,
What Truth reveals so naturally, that there's only present tense.
What is Truth? Oh, what is Truth? The mind that questions cannot know.
This is Truth! Oh, this is Truth! The Mind that says it knows it's so.
I am One God and All is held in Me.
As I know the Truth then My knowingness is free.
Ye shall know the Truth and the Truth shall make you free.
